### **US 41 Project lane closures for December 24 – December 28**

*Traffic restrictions in Brown and Winnebago counties*

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing US 41 Project lane restrictions for December 17 – December 21 in Brown and Winnebago counties. Drivers should be aware of 11-foot wide lanes and reduced speed limits in both counties. WisDOT urges all motorists to use caution while traveling through any work zone. Details of all closures are included below.

#### **Winnebago County**

##### **US 41**

A majority of 12 miles of highway, from 9th Avenue to Breezewood Lane, has restricted shoulders and lane widths. The speed limit on US 41 between 9th Avenue and US 45 is reduced to 55 mph in both directions.

#### **Brown County**

##### **US 41**

Drivers will encounter 11-foot travel lanes and reduced shoulders in multiple locations along a 10-mile segment of highway. The speed limit is reduced to 55 mph from just south of Scheuring Road to I-43.

##### **WIS 29**

WIS 29 is closed to traffic between Packerland Drive and US 41 with all WIS 29 traffic being rerouted to the new Shawano Avenue adjacent to old WIS 29. Access is maintained to US 41 from WIS 29/Shawano Avenue. Backups should be anticipated along this stretch of roadway.

**All lane restrictions and work operations are weather dependent and subject to change.**
